

The sense of community could not have been displayed any stronger this year with the challenge of COVID -19 and what better way than to display our strong values and commitment to our Parents, Teachers and Students.

Even through the challenge of lock down, the Parents and Friends Committee continued with the meetings and displayed commitment to organising events so that the fundraising could continue –
THANK YOU FOR YOUR DEDICATION AND COMMITMENT.

Regardless of the challenges this year, with your help we have been able to coordinate the following:

- Welcome events for new Parents to our community
- Walkathon
- Installation of new shade sails in the play area
- New lockers for Year 6
- Bogan Bingo
- School Disco
- Supporting Book Fair and Book Week

The P & F also continues to help support our school with:

- Assisting our teachers with their “Wish Lists”
- Planning a Bunnings Sausage Sizzle
- Footy Tipping
- And many, many more ideas and events to come.

The P & F would like to thank the wonderful community for their continued support and commitment, without which many of these events could not take place.

All parents are welcome to the meetings which are held on a regular basis – please look out for more information on the Connected app.

Kindest of Regards

St Michael’s School Parents & Friends Association
